Greatalk! is the only training of its kind to go deeper than just overcoming fear and worn out delivery techniques. With our unique, proven SCORRE™ system, we drill down to the foundation of your speaking – your preparation. You will learn to prepare powerfully focused, crystal clear talks and then deliver them with confidence and power.

You do not need any experience, connections, or a college degree to benefit from this event! All you need is a dynamic mindset, to be open to new and unconventional ideas, and have a willingness to be coached. Attend only if you're ready to make serious improvements in your preaching, presentation, speaking, teaching, and writing results.
